Have you?

Hot Water Always Ready No Waiting and No Wasting

"OHIO M" INSTANTANEOUS WATER HEATER

It is mighty comfortable to know that with one of these heaters in your bathroom, or kitchen, or any other place, the hot water question is settled for all time.

You don't have to stop and think whether there's hot water on hand, how long you will have to wait, or to worry in case of an emergency.

You simply go to the heater, start it and draw at once a cupful or tubful of clean, fresh, hot water at whatever temperature you desire. There's no storage. It heats a flowing stream. No wasting of gas or water and no waiting.

This heater can be set any place because it requires neither flue pipe nor waste pipe.

TERRITORIAL MARKETING DIVISION WOULD SHIP FRESH PINEAPPLES TO COAST IN LARGE QUANTITIES

An effort is to be made by the territorial marketing division to ship fresh Hawaiian pineapples to the coast in large quantities. Experimental shipments soon are to be made, and it is probable that various methods of packing and transporting will be given a thorough try-out before extensive shipments are undertaken. Pre-cooling and refrigeration enroute, which has in recent years made possible the transportation of many fruits on the mainland, previously impossible to ship successfully, may solve the problem of the heavy percentage of loss which now attends the shipping of pineapples to the mainland.

The marketing division also expects before long to have a paid representative in San Francisco, who will look after all shipments reaching there, and see that they are properly cared for, besides looking after sales and

keeping the local office informed concerning coast market conditions. After Shipping Business.

The marketing division is also getting busy in the matter of supplying some of the great amount of produce required by ships entering this port. At the present time most of this business is handled by Chinese firms, who, at least in some instances, pay liberally for the exclusive privilege. Cabbages a Drug.

Large shipments of local cabbages to the marketing division have glutted the market for the time being. During the week a lot were shipped down from Hawaii, while many tons have come in from different parts of Oahu. The price is down to about 1 cent a pound. Now is the time to make sauerkraut, says Superintendent Longley. Pumpkin Pies. Several tons of pumpkins from Ka-

huku reached the market this week, and are going fairly well at 2 cents per pound.

Pohas Coming In.

The Mauna Kea brought down from Glenwood this morning a large quantity of pohas. The demand is good for this fruit at about 12 cents per quart.

Eggs Stronger.

Eggs have strengthened in price during the week, and island eggs are now bringing from 30 to 35 cents wholesale, according to size, color and quality. The prediction is made that there will be a further upward trend of prices from now on.

AT THE THEATERS

YE LIBERTY THEATER

It's a worthy object to which the proceeds of the entertainment to be presented at Ye Liberty theater for the week-end will be devoted, when a company of local talent will assist in a program to be given beginning with Thursday evening and continuing throughout the week as a benefit to Sacred Heart church, Punahou.

Under the direction of the Catholic Mission, the famous film depicting the Passion Play will be presented. This picture brought forth capacity houses on the mainland. The story of the trial, crucifixion and resurrection of Christ is graphically told by the assistance of the camera. Madam Alapai and Father Ulrich are included among those who will offer musical numbers. The singing of the "Holy City" by a talented choir will be a feature of the entertainment. Music will be furnished by the Catholic Mission band and orchestra.

BIJOU THEATER

The members of the Spaulding Musical Comedy Company may be said to have scored a distinct success in their program of vaudeville numbers that have held forth at the Bijou theater for the past week. Beginning with this evening a complete change of program is announced. A tabloid sketch, in which Messrs. Spaulding and Gulliford and the Misses Wood and De Von participate, entitled "Partners," it is predicted, will be the most ambitious effort yet offered by the cast. Musical and dancing numbers will enliven the program, all the old favorites being seen and heard to advantage. Art Lane, the famous Australian acrobat and bag puncher, has new novelties in the change of bill. Paisley Noon will sing, "That Bach-nallan Rag," a late musical hit from the mainland. Miss Hattie De Von is down for several contributions, chief among which are, "I'm a Loving Woman," "Crawling for a Loving Man." Another offering is "Stories that Uncle Remus Told." Margaret De Von will appear in a chic juvenile number, "Hiss for Shame." This clever artist will sing in duet with Paisley Noon. The Rosebud Quartet will endeavor to carry off the honors. New and first run pictures will open and close two performances nightly. The Spaulding chorus girls will figure in a contest for Friday evening.

The 13th anniversary of the inauguration of Leahi Chapter No. 2, Order of the Eastern Star, will be celebrated at Masenic Temple tomorrow (Tuesday) night. Members of Harmony Chapter No. 4 and Lei Aloha Chapter No. 3, as well as all Eastern Stars now visiting in the city, are most cordially invited to attend.

CLARION SCHEME PROVES POPULAR WITH HONOLULANS

J. L. Cooper, manager of the Clarion, reports that the introduction of his novel scheme in Saturday's Star-Bulletin has created no end of "talk about town." Scarcely was the paper put on the streets, before inquiries began to come in, continuing until the hour of closing.

The plan is to have one "Mr. Clarion" casually drop into the Bijou theater during the first show Wednesday. This "Mr. Clarion" will have, tucked into a convenient pocket, an order on the Clarion, which will entitle the recipient to his choice of any \$25 suit in the house.

At the close of the performance "Mr. Clarion" will calmly walk up the nearest aisle, giving everyone an opportunity to pick him out. The first man to identify him will receive the order.

MEETINGS HELD TODAY.

UREAMIC COMA BRIGHT'S DISEASE

A young man called and asked if we knew him. He looked to weigh 200 pounds and was the picture of health. He proved to be George W. Newton, with the S. P. R. R. Company, Sacramento, Cal. His previous visit was nearly ten years ago. He came with his father. He was drowsy with uremic poisoning due to Bright's Disease and was in the edge of coma. His physician had told his father he could live but a short time.

Fulton's Renal Compound was administered with eliminatives to help restrain the pending crisis. In three months he was able to go home. The above is the sequel.

The ability of Fulton's Renal Compound to oppose Renal degeneration and reduce albumen in many cases of Bright's Disease is not a matter of opinion but a FACT IN PHYSICS. We will mail formula for albumen test that will show the percentage from week to week. As the albumen declines improvement commonly follows, recoveries having been reported in thousands of cases. Formula and literature mailed on request. John J. Fulton Co., San Francisco. Ask for pamphlet—advertisement.

The ordinary routine business required by law was transacted, and the present officers were re-elected.

JOHN W. FRANCIS IS LAID TO REST BY HIS BRETHREN IN MASONRY

Funeral services of the late John W. Francis, who died at his home in Kalanuki Saturday afternoon following a brief illness, were held at the Masenic Temple at 3 o'clock yesterday afternoon under the auspices of the local Masons, among whom Mr. Francis was a devoted worker. Following a brief service at the residence, conducted by Dr. Doremus Scudder, the remains were removed to the temple, where the solemn and impressive Masonic rites were performed.

Hawaiian Lodge No. 31 conducted the ritualistic services, and a quartet rendered sacred music during the ceremony. A delegation from the United Spanish War Veterans, and detachments from the G. W. DeLong Post, G. A. R., and of Company K, 2d Infantry attended. The casket was conveyed to the hearse by members of Company K, comrades of the George W. DeLong post acting as honorary pallbearers. Interment was in the G. A. R. plot in the Nuuanu cemetery.

Capt. Francis is survived by a widow and a son.
